

Student Grievance Policy

A way of finding common ground

CONTEXT:

Saint Ignatius' College, Riverview is committed to resolving all grievances through effective, fair and impartial procedures. While members of staff are professional educators, whose aim it is to promote the learning and personal development of all students and help them achieve their personal best, it is acknowledged that there may be occasions when a student perceives that:

- He has received an unfair or inappropriate response to a behavioural issue; or
- An academic result does not correspond to the level of effort and/or ability put into a task.

In cases such as these, the need to have in place a set of procedures by which a student may seek review of that matter is essential. One of the key aims of this Policy is to maintain good pastoral relations between all parties.

This Grievance Policy provides a process by which grievances can be resolved. It is based on the principle and procedures of Due Process, which includes among other things:

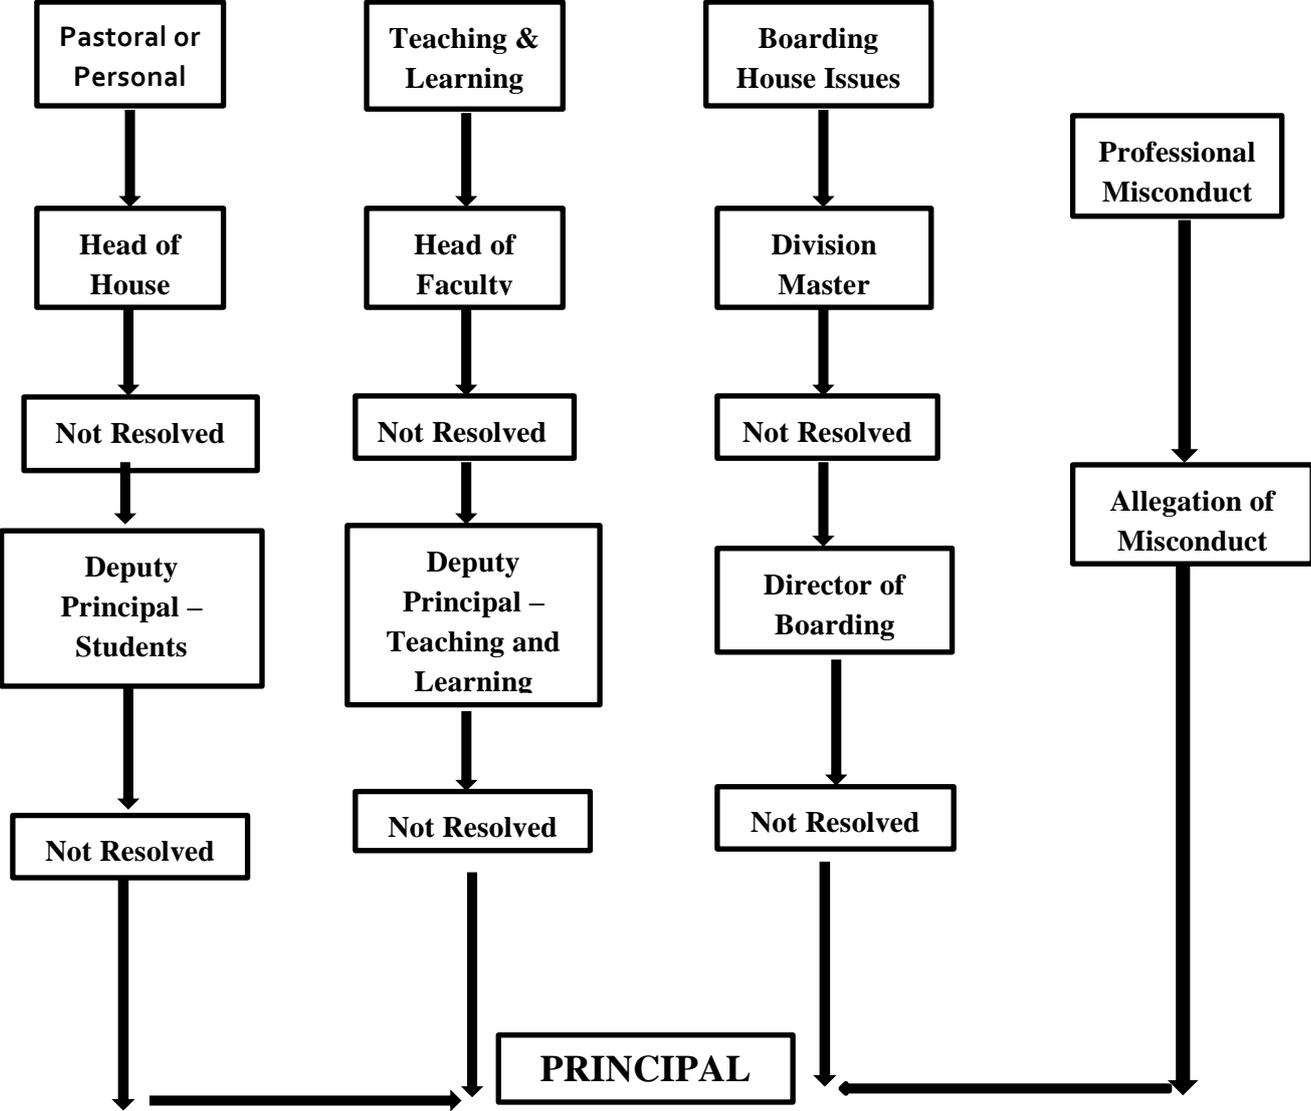

- Informing the community about the working of the Policy
- Providing all parties with a fair and complete hearing
- Enacting consequences which are consistent, fair and commensurate with the seriousness of the matter
- Having in place a system of appeal.

PRINCIPLES:

Underpinning the Grievance Policy lies a commitment on the part of the school community to the following key principles, that:

- All members of the school community will be informed of the Grievance Policy and its procedures
- The focus for resolution of a grievance will be upon an issue, not an individual
- All individuals will be treated fairly and impartially
- All individuals will have a right to present their case fully and openly, and without fear of retribution
- All individuals will have the right to a support person present at meetings
- All individuals have the right of confidentiality
- Grievance issues will be dealt with one at a time
- Grievances are to be lodged within a period of five days from formal notification of an academic result or a consequence
- Resolution of any grievances will be achieved as quickly as possible
- Parents/Guardians will be kept informed, where applicable, of matters pertaining to the grievance
- Grievance resolution will involve the minimum number of people
- Parties will be encouraged to resolve the matter together in the first instance.
