We have launched the ‘Fraser Walk’, an ambitious project to pave the Rose Garden paths, using pavers inscribed with the names of families, former students and friends of the College. There are a maximum of 600 square metres of paths through and around the Rose Garden, in what we might anticipate to be a five year project.

In order to give the project a flying start, we are looking for initial commitments from a minimum of 2000 donors of a tax-deductible amount of $50 for a single paver, or $100 for a double paver, to the Riverview College Foundation. In recognition of your donation, the Foundation will permanently install a named paver in the ‘Fraser Walk’. Families may wish to take more than one paver, or a double paver.
