Notice to all Competitors

The regatta will be conducted in accordance with the Laws of Boat Racing, Rules and By-laws of the NSW Rowing Association Inc.

ELIGIBILITY

Each competitor must be eligible to compete with respect to the Status Rules governing competition (Rule 42). Substitutes in crews, including coxswains, must be advised in writing to the Referee on a Substitution Form (Schedule 15) prior to competing. No change in personnel of a crew is permitted between the heat and the final of the event.

START

At the Start, station Number 1 is on the left hand side looking from the start to the finish. The start signal and stop signal will be one horn blast. The umpire's signal to stop rowing will be the waving of a red flag. The first crew to cross the line will receive a horn blast, other crews crossing the line will be acknowledged by a horn sound. All crews must be in the starter's control (and must have reported to the starter) five minutes before their event. Where heats/divisions are drawn, this is five minutes before the first heat/division. Races will not be delayed for latecomers. Crews or scullers not intending to race must lodge a withdrawal form (Schedule 14) with the referee not later than 30 minutes prior to the first race of their event. Failure to do so will attract a fine. Finals for all events will be conducted in the order laid down in the Association's Regatta Programme, unless otherwise broadcast by the Referee at the Regatta venue. Where two or more crews from the same club or school are entered in the same event a plastic number must be fitted to the bow of each crew boat identifying the crew (refer to Law 20(b)).

SAFETY AND EQUIPMENT

Bowballs of an approved type must be securely fitted to the bow of each competing boat; no boat will be permitted to start in breach of this safety regulation (Law 29).

COXSWAINS

Umpires will conduct random checks of coxswains' weights. When instructed to be weighed, crews must immediately proceed to the specified place for the coxswain to be check weighed. Coxswains must carry sufficient lead or other metallic weight (no water bottles, bricks or sand bags) to exceed the minimum weight when wearing rowing suit (Refer to Law 21 of the Laws of Boat Racing).

DO NOT ROW TO THE START ON THE COURSE

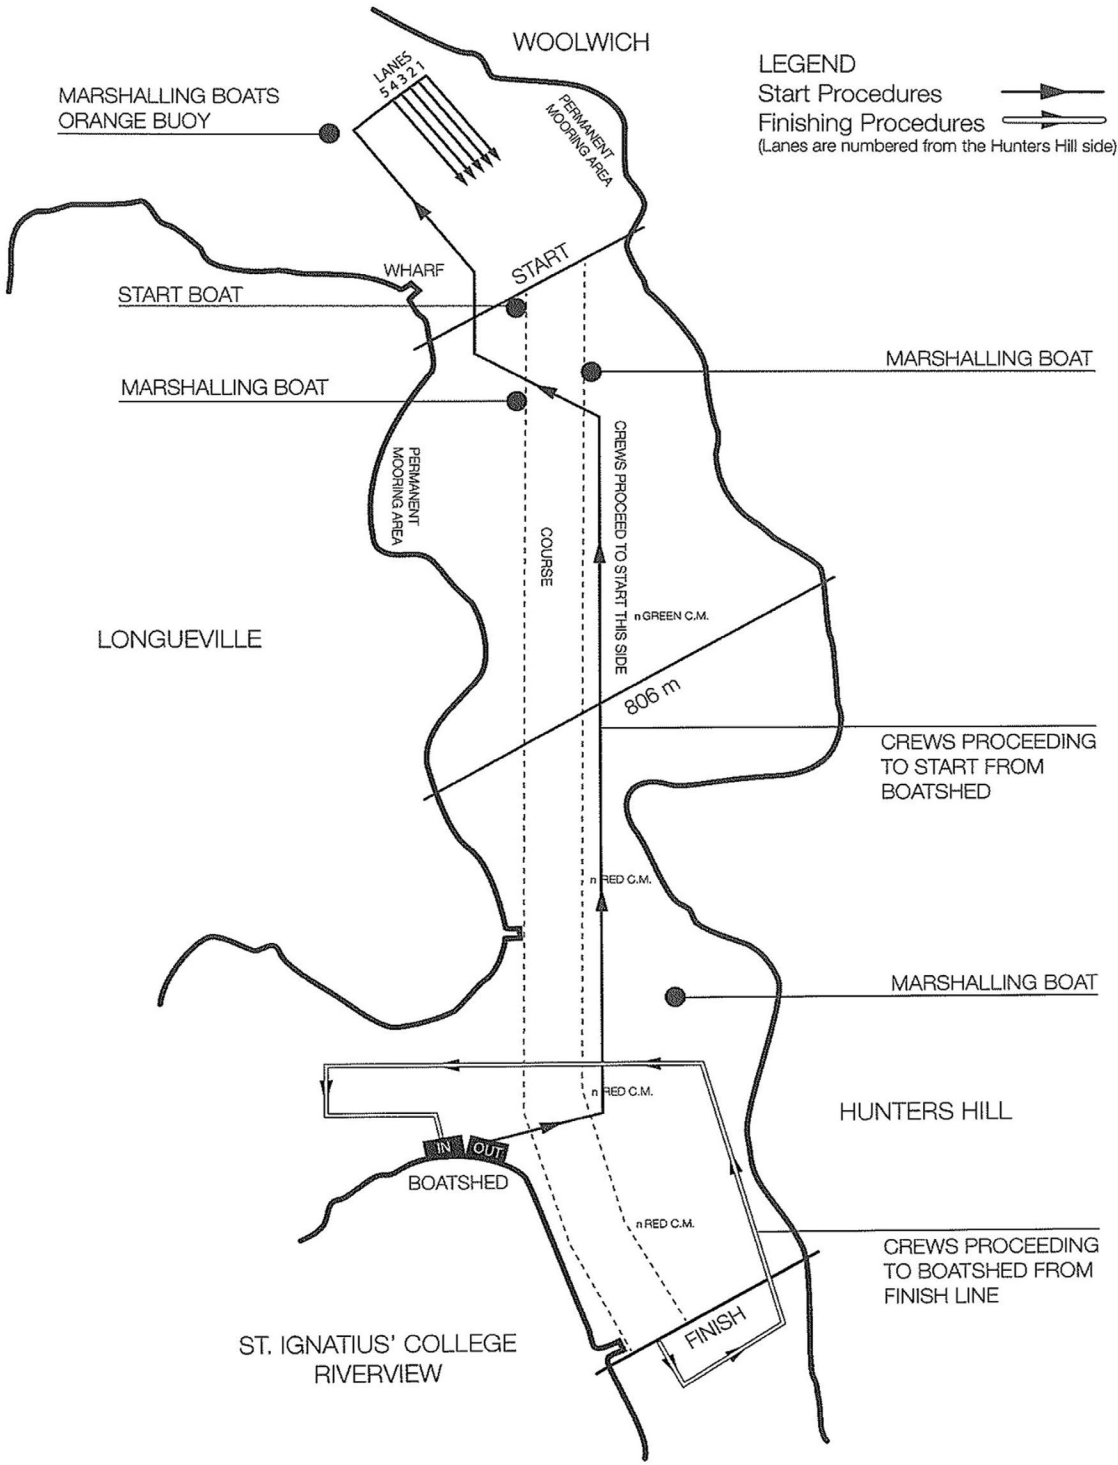

Do not obstruct racing in any way-penalty for breach of traffic regulations is disqualification. No crew is permitted to warm down or train on the course during the scheduled racing periods. No speedboats (other than those engaged by the Regatta organisers for use by the Boat Race Officials) are permitted on, or alongside, the course during the regatta. The disqualification of a club or school causing the interference will result. Refer to the course map in this programme for instruction for travelling to the start.

DRUG TESTING

Competitors may be required to undergo testing to detect the presence of any performance enhancing substance in accordance with the Australian Sports Drug Agency Act 1990 (as amended).

SPECTATORS ARE ASKED TO HELP PRESERVE THE TIDINESS OF OUR FORESHORE BY PLACING ALL RUBBISH IN THE BINS PROVIDED.
